

Year 7					
Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
E-Safety How to use the internet	PC Basics	Data representation	Data representation Revision	Micro bit project	Micro bit project Revision
Year 8					
Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
E-Safety Small Basic	Small Basic	Python	Python	Web design	Web design Revision
Year 9					
Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
E-Safety Basic Computer Systems	Networks	Data representation	Data representation Visual Python	Visual Python	Visual Python Revision
Year 10					
Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Computing Systems architecture Memory + Storage BTEC Media Unit 1 – Digital Media sectors & Audiences	Computing Networks BTEC Media Unit 1 – Digital Media sectors & Audiences	Computing Systems software - Ethical, legal, environmental BTEC Media	Computing Unit 1 revision Data representation BTEC Media Unit 2 – Planning & pitching a digital media product	Computing Data representation Algorithms BTEC Media Unit 2 – Planning & pitching a digital media product	Computing Programming techniques Producing Robust Programs BTEC Media

		Unit 2 – Planning & pitching a digital media product			Unit 3 – Digital games production
Year 11					
Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Computing Computational Logic Translators & facilities of languages NEA preparation BTEC Media Unit 3 – Digital games production	Computing NEA BTEC Media Unit 3 – Digital games production Unit 4 – Website production	Computing Revision BTEC Media Unit 4 – Website production	Computing Revision BTEC Media Unit 4 – Website production	Computing Revision BTEC Media Revision
